19 In allowing to the Chamber of Commerce the right of returning a member to the Bangalore Legislative Council, it is not clear whether the Govt contemplates an immediate increase in the total number of members on the Ind Council by one, or ~~another member~~ an increase at the next ensuing General election.

In the former case there will be officially that neither section 17 of section 18 of the Ind Regns would apply to the term of office of the member returned by the Chamber as his appointment would be one made at a General election one made in order to fill up a casual vacancy. And, so far as I can see, there is no other provision applicable to the point.

In under the circumstances it seems preferable to wait till the next General election, and then to increase the total number of Ind Councillors to 28, of whom 1 shall be elected by the Chamber of Commerce. Vide Draft to Supt

So that the fixing of the number of persons to be elected viz 12 by the rati payers and one to be elected by the Chamber of Commerce has to be done under Rules framed under Sec 11 (c) (ii) where as without making any rules, but by means of a notification the total number of Municipal Councillors at 25 and the proportion of nominated Councillors at 12 : 25 may be fixed under Sec 11 (a) & (b) 36 with refce to the term of the office of elected or nominated members : —
